

News That Love Built

Fall 2011

The Ronald McDonald House Charities mission is to "create, find and support programs that directly improve the health and well being of children."

Eliminating worries for new parents

Collin Evans Pelischek

Collin's parents, Betsy and Curt, found that being able to stay at the Ronald McDonald House of Marshfield eliminated many worries after their son made an early entrance to this world.

Remember Our Charitable Canisters

Whether you're driving through or dining in, please remember our Charitable Canisters at your local McDonald's. Your spare change directly supports the children and families of Ronald McDonald House Charities.

Charitable Canisters

From the Director

Dear Friends,

The kitchen and dining room have always been the centerpiece of the Ronald McDonald House, a gathering spot for families to prepare and eat their meals together, share stories, gain support and form friendships. So after 28 years of service to thousands of families, it was time to consider remodeling the kitchen-dining-deck area of the House.

The RMHC of Marshfield Board of Directors hired Design Unlimited to be the local architect, and Boson Company was hired as the general contractor. Katie Nemitz, the interior designer, and Angela Ford from Cabinet Konnections worked closely with staff to incorporate details of our historic 1912 structure into the new design.

We are also grateful to the following RMHC national donors: the Dupont Company donated seven sheets of Corian countertop, Brand Source donated three new refrigerators, Coca Cola USA donated a new product machine, Insinkerator donated a new garbage disposal, and Benjamin Moore donated eighteen gallons of paint/primer.

After removing a wall between the old kitchen and toy room, the kitchen is now in proximity to the children's play area with good visibility so parents can prepare their meals and keep an eye on their young children. One of our two kitchen workstations will be fully handicap-accessible and in compliance with all ADA requirements.

A new bay of windows on the west wall of the kitchen adds more good natural light from the late afternoon sun. There is access from both the kitchen and the dining room to a new outdoor patio.

Multiple seating areas of various sizes will contribute to a more homelike environment for our House families. After the stress of hours at the hospital, having a quiet meal together—whether breakfast, lunch, supper or late night snack—can provide both a welcome relief and an opportunity to reconnect with each other.

As we look forward to the completion of this project just before the holidays, we are once again reminded that we could not provide this “home away from home” across the street from Saint Joseph's Children's Hospital without your generosity. During this holiday season we give thanks for you, our friends of the House. You are a very important part of this support system for families of ill children.

Sincerely,
Sandy Zygarlicke
House Director

Fast Facts:

Ronald McDonald House is a "home away from home" for families and their children who are receiving treatment at Saint Joseph's Children's Hospital, regardless of their ability to pay. Our House has 10 bedrooms, 4 public bathrooms, several living rooms, indoor and outdoor play areas, large remodeled kitchen and dining room, 3 laundry facilities, elevator to make house handicap accessible, plus game room computer with internet access and WiFi wireless throughout the House donated by AT&T. New rec room furniture was delivered this summer from La-Z-Boy, a new national donor.

Marshfield's Ronald McDonald House opened in 1983. We are the only House serving one hospital for all of central and northern Wisconsin and the Upper Peninsula of Michigan.

Our House is staffed 24 hours a day, 365 days a year, by 2 full-time and 7 part-time staff and many dedicated House volunteers. Group volunteers also help by making home-cooked meals for our families (part of our "Meal a Month" program) and doing special projects.

Your help is vital to providing a supportive home for families with seriously ill children. When you create or change your will, please consider leaving a charitable bequest to RMHC of Marshfield, Inc. We also gratefully accept gifts of cash, stock, property and life insurance. We greatly appreciate your support!

Thank you for being a friend to families with seriously ill children.

June 1 -
September 30, 2011

Many Thanks

The Ronald McDonald House of Marshfield is a not-for-profit organization that provides a temporary "home-away-from-home" for families whose children are undergoing medical treatment at Ministry Saint Joseph's Children's Hospital or Marshfield Clinic. The House relies on the support of individuals, businesses and organizations to provide services to families in need. We would like to acknowledge those who have demonstrated their support in many ways during the past quarter. This list represents cash and in-kind contributions received from June 1 - September 30, 2011. If we have erred or omitted anyone, please accept our apologies.

Who's on Facebook?

Be our fan and help us get 211 friends by the end of 2011! Go to www.facebook.com and search for Ronald McDonald House Charities of Marshfield Wisconsin to get all the

updates on our mission to provide "temporary lodging" to over 400 different families each year at our 10-bedroom Ronald McDonald House.

You Only Have Until December 31 to Take Advantage of this Special Tax Benefit!

On December 31, 2011, the special tax-code provision that allows donors to make a tax-free gift from their IRA account to not-for-profit organizations will expire.

This special tax break allows donors to make a direct distribution from their IRA account to a qualified charity – tax free. By taking advantage of this opportunity before the end of the year, you can fulfill your obligation to take an IRA distribution, avoid taxes you would otherwise have to pay AND make a generous donation to the nonprofit(s) of your choice – including the Ronald McDonald House Charities of Marshfield, Inc

Here are two of the primary provisions:

- You must be 70 ½ years of age or older
- You may give up to \$100,000 (married couples can give \$200,000)

When you pull the tab, remember that those little tabs add up to some big dollars (\$8,929.56 in 2010) for Ronald McDonald House in Marshfield. Please save your tabs and bring them to our House. We will recycle them to raise funds needed for program expenses such as household/office supplies and utility bills.

Special Notice to Fundraisers

The RMHC of Marshfield is always grateful for fundraising efforts by area organizations. However, it is necessary for us to approve all events that use our name and logo. If your group would like to organize a fundraising event to benefit the House, please call us at 715-387-5899, and we will be happy to discuss the details.
